

COUNTY BOROUGH
OF DERBY

**"STAY AT HOME"
HOLIDAYS, 1942
PROGRAMME**

HIS Majesty's Government expects you to spend your holiday in and around Derby.

Be patriotic and avoid long distance travel, leaving transport for war purposes.

In this programme you will be able to find something of interest on most days of your holiday.

Members of H.M. Forces will be especially welcome at all shows and events.

You should visit the lovely countryside in the immediate vicinity of your town, and also your parks and gardens during your holiday.

There should be no litter. Waste paper is salvage. It is a war weapon.

The Committee appeal for the kind assistance of all adults in preserving the beauties of our parks and gardens.

Utilise the facilities which are herein offered to you and enjoy yourselves !

**PRICE
TWO PENCE**

The following programme is subject to modification. The weekly "Holiday Programme" will be published in the Local Press each week during the season.

Derby wishes you a good

“ Stay at Home ” Holiday!

It is at the explicit request of H.M. Government that the following “ Stay at Home ” holiday programme has been arranged for Industrial Workers and their families.

It is hoped that all will enter into the full spirit of the arrangements made and we feel sure that the facilities we have offered will be enjoyable to all concerned.

May this be a time of complete health-giving enjoyment to Industrial Workers in order that they may return refreshed to their duties to add a further and full contribution to our War Effort.
